

LDH43-EAO200H

43" Outdoor Wall-mounted Digital Signage

Features:

· Industrial design, waterproof galvanized steel housing, tempered protective glass.

· High brightness and anti-reflection glass ensure excellent visibility under direct sunlight.

· 178°H/178°V ultra-wide viewing angle for better overall viewing performance.

· Supports picture, audio, video, text display, and remote screen control.

· Dahua MPS platform provides unified remote management for system integrators and media operators.
