

DH-PFM376-D

Mounting Bracket of Solar Panel

Technical Specifications

Model	DH-PFM376-D
Type	Mounting brackets of solar panel
Material	Q235
Installation	Pole mount
Installation diameter	160mm~200mm
Adjustable angle range	10° ~50°, adjusting according to the latitude of the project
Color	Silver gray
Compatibility (solar panel model and quantity)	Suitable for the solar panel model of DH-PFM371-M330 and DH-PFM371-M275, and support to install 2 pcs solar panels simultaneously.
Package dimension & weight	2245mmx285mmx110mm(88.39"x11.22"x4.33") 35kg(77.16lb)

Application

Package Information

- Mounting bracket of solar panel DH-PFM376-D *1
- M8x25mm assembling bolt *16pcs
- M8x40mm assembling bolt *10pcs
- M16x219mm hoop *3pcs
