

# DH-MV-RDS5021CE-00

- Adopt high resolution industrial color line scan camera
- Adjust the scanning frequency per the speed
- Support to connect with 2- way radar
- Supports to connect with LED light
- Supports GigE network
- IP67 Protection grade

## Specification

Model	DH-MV-RDS5021CE-00
Camera	2k color line scan camera
Line Rate	49k Hz
Vehicle Speed	3- 120km/h
Angle of View	80°
Working distance	2400mm - 3500mm
Feild of View	4000mm - 6000mm
Trainsmission	≤ 100m
Protection Level	IP67
Dimensions	252mm*130mm*115mm
Operation Temperature	-35 °C ~+70 °C
Humidity	< 90%RH
Trainsmission Interface	Gigabit Ethernet
Seismic Rating	3M6
