

# Cost-effective And Easy To Use

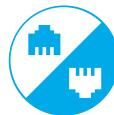

Dahua economical PoE switch

Intelligent PoE

Long Distance PoE

Port Isolation

PD Alive (PoE Watchdog)

# Dahua Economical PoE Switch

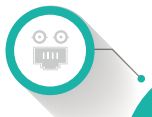

## Advantages

Dahua ultra-high cost-effective economical PoE Switch special designed for low power consumption IP cameras. Dual uplink ports design is able to meet the customer's requirements for cascading. In addition, it has rich features, such as PoE watchdog, port isolation, and 250m long distance PoE transmission, making it safer and more convenient for customers to use and maintain.

## Highlights

### Intelligent PoE

Guarantee power supply for VIP ports  
Real-time monitoring to guarantee proper function.

### Long Distance PoE

Realizing 250m long distance PoE transmission, but the bandwidth of the PoE ports will decrease to 10Mbps.

### PD Alive (PoE Watchdog)

Real-time monitoring PD status, When the PD device is crash, it will automatically restart the PD device and keep it alive.

### Port Isolation

Isolating ports from each other to suppress broadcast storm and improve network performance.

## Application Scenarios

Retail Store

Apartment

Office Building

Villa

## Recommended Models

PFS3006-4ET-36

PFS3010-8ET-65

PFS3218-16ET-135

PFS3226-24ET-240
