

Reliable Operation, Optimized Performance

Dahua Home/Office Ethernet Switches

Plug and Play

Robust Design

Flexible Deployment

Reliable Network

Dahua Home/Office Ethernet Switches

Highlights

Plug and Play

Just plug the cables and they are good to go. Our switches are fully compatible with any network devices such as computers, network cameras, printers, etc. Moreover, with Auto-MDI/MDIX, there is no need to check your cable's compatibility.

Flexible Deployment

The devices offer compact size, light weight and wall-mount structure, allowing them to fit any sites and locations.

Robust Design

The switches are equipped with full metal casings designed for durability and maximum heat dissipation, guaranteeing 24/7 stable performance with zero maintenance cost.

Reliable Fast/Gigabit Network

With fast and gigabit ports, our switches can expand our home/office network in multiple devices.
