# Professional License Plate Recognition

Dahua Access ANPR Camera

**ANPR**

**AU 6X XX2**

AU 6X XX2

Up to 99% Accuracy          Barrier Control          Motorized Vari-focal Lens          PoE+

## Highlights

### Up to 99% Accuracy

Offers a professional ANPR camera that integrates algorithm specially trained for local license plates, providing up to 99% recognition accuracy. It supports barrier control and standard PoE+.

### High Performance

Delivers excellent capturing and recognition performance day and night. Its motorized varifocal lenses can adapt to various scenarios such as overexposure or inadequate light. It achieves detection distance of up to 30m (98ft) and speed of up to 80km/h (49mp/h).

### Flexible Installation

Offers various installation options that can adapt to multiple scenarios. It supports pole mount, corner mount, wall mount and ceiling mount, allowing cameras to be up and running in no time.
### Various Applications

Compatible with NVR and DSS platform. It supports more abundant business processes such as remote barrier control, blocklist and allowlist, query by license plate, etc., greatly improving management efficiency.

## Application Scenarios

Universities and Campuses

Retail and Office Spaces

Hotels and Casinos

Residential Areas

## Installation Options

Ceiling Mount

Pole Mount

Wall Mount

Waterproof Power Box

## Recommended Models

**ITC215-PW6M-IRLZF-B**
· Detection distance range: 3-8m (9ft-26ft)
· Detection speed up to 30km/h (25mp/h)
· 2MP, IR, cover 1 lane
· 3.2mm to 10.5mm motorized
· With gooseneck bracket

**ITC237-PW6M-IRLZF1050-B**
· Detection distance range: 12-35m (26ft-98ft)
· Detection speed up to 80km/h (49mp/h)
· 2MP, IR, cover 2 lane
· 10mm to 50mm motorized
· With gooseneck bracket
